Components of a contract that would exclude an independent contractor from OPERS membership are when the contractor:

- Is paid by fee or other payment by contractual arrangement for particular services performed during a specific, definite term.
- Is not eligible for employee fringe benefits, such as vacation or sick leave and does not appear on a public payroll.
- Is required to provide their own supplies and equipment and to provide and pay assistants if necessary.
- Does not have their work controlled or supervised by personnel of the public employer.
- Receives a Form 1099 for income tax reporting purposes.

I have been informed and do fully understand that no deductions will be made from compensation paid to me including Federal, State, School, and Local Income Taxes, and Social Security Contributions. I understand that, if I have been, or shall become, a city employee, public employee pension contributions will not be made for any compensation received under this agreement. Furthermore, I understand that I am solely responsible for keeping proper records for tax purposes. I understand that as an independent contractor, I am not eligible for workers compensation nor will the city make any contributions to workers compensation on my behalf.

Therefore, I do hereby contract with the Parks and Recreation Department of the City of Reynoldsburg, to provide services, as indicated above, in accordance with its rules and regulations.
