

Why Youth Sports Need You

There is more to youth sports than meets the eye. The 2,000+ youth sport participants learn more than fielding, catching, dribbling, and shooting. Participants take away life-long lessons on respect, sportsmanship, responsibility, trust, confidence, communication, and good health.

By building partnerships through sponsorship opportunities, the youth sports program fees are able to be kept at a minimum. Equipment and sport complexes are able to be updated and maintained with sponsorships.

Why You Need Youth Sports

Your business will earn goodwill and community recognition as a business leader and a company that supports our sports and the youth of the City.

There are thousands of players, fans, and families that are involved with our youth sports each season. You, as a youth sport sponsor, will have the luxury of marketing your company to the thousands of youth sports families.
