City Auditor Harris said when the report was received, he was asked to prepare a document that would show what the cost would be for accepting the Fact Finder's Report. Mr. Harris said he came up with, in the 2008 fiscal year, the cost with both the retro pay and the increase in pay for the Union members would be \$65,508; for the fiscal year 2009, that number would be \$30,155.70; and for year 2010 that number would be \$32,872.71. Mayor McCloud said under the current financial circumstances, he could not in good conscience, recommend acceptance of the Fact Finding Report.

Mr. Stake moved to accept the ordinance to reject the Fact Finder Report. Mr. Joseph seconded. Mr. Clemens said in listening to Mr. Harris' report, \$65,000 the first year, and approximately \$35,000 the second year, that's \$100,000, that would cost the city \$100,000 the second year then 'you have to add on again your \$60,000 and your \$100,000 so after three years, you add all those together, it goes up every year because you pay each year and it adds on to each year because the pay is still there'. Mr. Clemens said that was the way he looked at it.
